

The diagram shows a rectangular layout with a central vertical line. A red line is positioned near the top center, with two diagonal arrows pointing outwards from its ends. A blue line is positioned horizontally across the middle, with a long double-headed arrow extending from its center to the left and right edges. A green line is positioned horizontally in the lower right quadrant, with a single-headed arrow pointing left from its right end. Text labels are placed near these lines to explain their function.
